Grand Cru Estate

Our intimate Estate is the ‘hidden gem’ of the Barossa. Nestled in its private and peaceful location amongst 300 acres of Red Gums, English gardens, parklands and vineyards, it’s the perfect location for your special day. Come and celebrate your love in a historic venue that allows you the freedom to create your own unique style and unforgettable experience.

Your Ceremony

We take pride in offering full exclusivity of the Estate for your special day. We have several breathtaking ceremony settings such as the magnificent lake surrounded by parklands and a backdrop of vines, or the Picker’s Rest, with a stunning view overlooking the vineyards. Embrace the Estate’s beautiful photo opportunities, from our manicured gardens and lush vineyards, to our French inspired stone tower.

Your Reception

Following pre-dinner refreshments in the courtyard, guests are invited to the ‘Wine Store’ for a sit-down dinner or cocktail-style reception. Be surrounded by the ambience and aroma of rustic wine barrels, candelabras and soft candle-light. On summer nights the huge winery door slides open to share celebrations with the stars and open air.
